Warren County and St. Luke's University Health Network Open Drive-Thru COVID-19 Patient Testing Site

Warren County Residents Only; Appointments Required

Warren County, in partnership with St. Luke's University Hospital Network (SLUHN), will again open a COVID-19 drive-thru testing site for Warren County residents only. Testing will begin on Tuesday, December 1, 2020 and will continue every Tuesday and Friday from 9 a.m. to 11 a.m.

The Warren County COVID-19 Drive-Thru Testing Site will be located at St. Luke's Belvidere Health Center, 187 County Route 519 Belvidere, NJ, 07823.

Testing is for Warren County residents of all ages and by appointment only. No walk-ins accepted. Residents must have symptoms to receive a test. Schedule an appointment online at <https://booknow-wcnj.appointment-plus.com/b8n9zc50/>. **Residents who need help or have questions about appointment scheduling ONLY**, call the **testing site call center at 908-878-3188** on Monday to Thursday from 10 a.m. to 2 p.m. Scheduling an appointment online is preferred.

Insurance is accepted, but if you do not have insurance, the test is free.

For questions related to COVID-19, please call your primary care physician.

"Testing needs have dramatically increased. Warren County and St. Luke's are opening this site to give another option to county residents," said Freeholder James R. Kern III, liaison for health and public safety.

The health department urges everyone to limit gatherings with people outside your household, especially as we enter the holiday season. If you do have a small indoor gathering, limit the number to no more than ten people in your house according to Governor Murphy's Executive Order 196, stay six feet away from others not in your household, wear a mask (when not eating or drinking), wash your hands often, and stay home if you are sick.
