

Virtual All Recovery Meetings

In an effort to preserve the recovery communities we've built together and continue to provide a place of hope and safety during these challenging times, we have created a full calendar of virtual All Recovery meetings that you can join online or by phone.

We are in this together and we will get through this as a community. Be healthy, stay safe and stay in touch.

All Recovery Meetings are for everyone who supports recovery. They honor all pathways to recovery, acknowledging that each person's path is unique and reflects their personal strengths.

Meetings are facilitated by trained and certified IFPR Peer Recovery Specialists and provide social support for those seeking or maintaining recovery, as well as family members, friends and supporters of those who have been influenced by substance use. These meetings are non-denominational and offer an opportunity to focus on the hope found in recovery.

Recovery does not happen alone. Join us and connect with others who are initiating and maintaining a recovery lifestyle.
